Where our meat comes from...

All of the meat used in the café is from the farm shop butchery and prepared by our team of skilled butchers.

The beef is reared here at Denstone Hall Farm and hung for 28 days.

All the sausages are freshly made by hand in our butchery.

We use free range Packington Pork, Staffordshire Moorlands lamb and the wild venison is from Abbots Bromley.

All meats are available to purchase from the butchery counter in the farm shop.
